Investigation on the Commission's Own Motion into Open Access and Network Architecture Development of Dominant Carrier Networks.

Investigation 93-04-002
(Filed April 7, 1993)

(Verizon UNE Phase)

ADMINISTRATIVE LAW JUDGE'S RULING REVISING SCHEDULE

This ruling revises the schedule for the permanent phase of the "Verizon Unbundled Network Element (UNE) Phase" of Rulemaking 93-04-003/ Investigation 93-04-002 (OANAD proceeding), in which the Commission will set recurring and nonrecurring prices for Verizon California's (Verizon's) UNEs, and price floors for Verizon's Category II services. Verizon, AT&T Communications of California (AT&T), and WorldCom Inc. (WorldCom) (collectively "Joint Commenters") jointly requested an extension of time to file opening cost studies. The schedule revisions in this ruling accommodate that request.

Revised Schedule to Set Permanent UNE Rates

The following schedule replaces the schedule previously set in a January 27, 2003 ruling and should apply to the permanent phase of this case, subject to change by further ruling of the Administrative Law Judge:

August 8, 2003	Filing of cost studies/models, explained and supported through Opening Comments, witness declarations, workpapers, supporting materials, and electronic versions of cost models.
September 30, October 1 and 2, 2003	Technical Workshop on cost studies/models
October 24, 2003	Reply Comments on cost studies/models
December 19, 2003	Rebuttal Comments on cost studies/models
January 12, 2004	Deadline for motions requesting hearings. Any motions must justify the need for an evidentiary hearing by identifying the material disputed factual issues on which hearing should be held. In addition, any motion should identify the general nature of the evidence the party proposes to introduce at the requested hearing. Any right a party may otherwise have to an evidentiary hearing for the presentation of facts will be waived if the party does not follow the above procedure for a timely request.
January 30, 2004	Ruling on need for hearings and submission of case (if request for hearings not granted).
April 30, 2004	Proposed Decision Issued (if hearings not required).

If Hearings Required:

February 23-27, 2004	Evidentiary Hearings
March 26, 2004	Concurrent opening briefs
April 23, 2004	Reply briefs and case submitted
July 23, 2004	Proposed Decision issued

A copy of all filings should be sent electronically to the service list and to ALJ Dorothy Duda at dot@cpuc.ca.gov.

IT IS RULED that the schedule for the permanent phase of this proceeding is revised as set forth in this ruling.

Dated June 11, 2003, at San Francisco, California.
